

We are proud to announce that we have reached an agreement with Switzer Dynamics to become the Official Class Sponsor for the Outlaw 10.5 Class of the Strange Engineering Outlaw Street Car Shootout Series held at Cecil County Dragway. As part of this deal we will be funding a points program for the Outlaw 10.5 class for the 2018 season. We are very happy to have such a great company support our program and hope that the racers return the favor and support Switzer Dynamics in any way possible. Switzer Dynamics is the industry leader in developing nitrous and electronic fuel injection technology. Switzer has over 20 years of experience in Nitrous and EFI setups on anything from small blocks to giant Pro Mod engines. Go to www.switzerdynamics.com to find out what services they provide.

The 2018 Switzer Dynamics Outlaw 10.5 year end points program will be free for the racers and will pay the top 8 racers in the program as follows:

Champion	\$2500
Runner-up	\$1000
#3 and #4	\$500
#5 through #8	\$125
